

Dear Mayor,

I am writing to encourage you to make Craig Ferguson, yes, *the* Craig Ferguson from “The Late Late Show with Craig Ferguson,” an honorary citizen of our beloved town.

Craig is studying to become an American citizen as early as this summer. He’s a hardscrabble Scottish immigrant doing a low paying job no American wants -- working the late shift at CBS.

By making Craig an honorary citizen, we are sending a message to the halls of Congress and The White House. That message: America wants Craig Ferguson on our team. Let’s roll out the red carpet for this lovable, important C-list celebrity.

God Bless our great town and God Bless America.

Sincerely,
